## About This Game

**The Cat Lady** follows Susan Ashworth, a lonely 40-year old on the verge of suicide. She has no family, no friends and no hope for a better future. One day she discovers that five strangers will come along and change everything...

By author Remigiusz Michalski (Harvester Games) this suspenseful psychological horror game features stylized artwork, a simple keyboard control method and English voice acting, plus a compelling, atmospheric 70 minute soundtrack by micAmic (now included free with every copy in Library > Music) and featured artists Warmer, Siah and Tears Of Mars.

**The Cat Lady** contains strong adult themes and is recommended only for players over 18.
