It will feature all of the most popular WWE Superstars and Divas from the past and present. Indoors, it's all about the edges, and a sharp, strong frame and wide, strong square shoulders will help you exploit them. The coat has a much tighter fit and feels heavier. The forearms are broader and more muscular than the smaller version. The match up was, to put it simply, classic. WWE has always been infamous for its super-sized Octagon-like ring and the new one is no different. It's so much bigger than anything we've seen before that the ring seems to stretch on forever. WWE '12 will celebrate the rebirth of the iconic and authentic simulation franchise through a bigger game, badder presentation and better gameplay than ever. WWE '12 Game Release Date: 15 May 2013.
